Join us on Cinco de Mayo for a special Budget \$avvy Workshop

We invite you to join us as Girls Inc. and the Women's Initiative work in partnership to bring girls, moms, adult care givers and mentors together for a special, one night financial literacy workshop. Learn the basics of budgeting, using the fun and interactive "**Budget \$avvy**" tool.

During this workshop, girls will imagine themselves as an employed 24 year-old. They will discover how much money they can expect to earn in their chosen profession and what their lifestyle will cost.

Please join us for this eye-opening, valuable and fun program.
