

How can you help support this effort?

Due to COVID-19 concerns, we cannot accept individual drop-off supplies or donations.

Financial Support

Financial donations allow Girls Inc. the most flexibility in purchasing products given supply limitations at some stores. Use Paypal online, Venmo or mail a check.

VENMO: @girlsincofworchester

ONLINE: girlsincworchester.org include in the note section "Period Product Donation."

Product Donation

We cannot receive donations directly from individuals, but will accept any shipped directly from suppliers, stores, or Amazon. We plan to serve primarily teen girls, so pads are preferred; sizes 1, 2, 3 are recommended. Information is on our website.

Shipments should be sent directly to Girls Inc., 125 Providence Street, Worcester, MA 01604. Email us so we can anticipate the delivery.

WHAT:

With schools closed, limited trips to the store, lost wages, and supply chain disruptions — girls and women are adversely affected when it comes to period products. Many don't have the financial or familial resources to stock up or even access the products. Girls Inc. wants to meet this essential need for the girls our community during COVID-19 by providing one months worth of FREE period products.

WHO:

Girls Inc. of Worcester, along with community leaders, want to assist ALL girls in Worcester with one month's worth of period supplies. Girls are invited to pick up FREE products at our weekly distribution site(s). We will be handing these out discreetly while maintaining social distance guidelines.
